Tribute to Rev. King White

by Pastor Danielle Maynor

Have you ever known someone who made such an impact on your life that you can truly say you will never be the same? Well that is exactly how most people feel about Rev. King E. White, Sr. Pastor White as he is fondly called, was the senior pastor of the Gospel Tabernacle here in Dunn, North Carolina for a combined total of more than 27 years. His circle of influence seems to reach far beyond the traditional boundaries of a man of his numeric age of 88. Pastor White was a visionary, a trailblazer, a dreamer, an administrator, a business man, an anointed preacher of the Word, a shepherd to the rowdiest of sheep and a FRIEND who loved EVERYONE. If I had to describe Pastor White with one word it would have to be SHEPHERD. Although this is not a common term in our culture, it is still very relevant in many parts of the world and describes the kind of person King E. White, Sr. was. A good shepherd is strong and wise, full of insight and equipped with a good sense of direction as well as compassionate, a firm disciplinarian and a loving leader.. As is the Biblical example of the shepherd boy David who eventually became king, a Godly shepherd also knows the value of worship and communion with a sovereign God in order to be best equipped for the challenge of leading those stubborn sheep.

Tribute to Rev. King White

by Pastor Danielle Maynor

Our Pastor White had just that kind of private and ongoing relationship with God that carried him through many storms and guided him and he helped others.

Pastor White held true to all these characteristics but as God's Word dictates his greatest attribute was LOVE. He loved God first, his precious wife, Janice, of 65 years, a large family, his church and his community and its members. He leaves behind a legacy of love and service to our Lord Jesus Christ and a wonderful example for us all of just what it looks like to..." love thy neighbor as thyself". We will truly miss our beloved pastor and friend but rejoice in the path he paved and strive to continue to run this race and too finish with a "WELL DONE thy good and faithful SERVANT".
