# Happy New Year!

GOSPEL TABERNACLE NEWSLETTER

## 2020! *The Year of Vision!*

By Pastor Randy Hill

Happy New Year and Happy New Decade. That's right, we are not only coming into a New Year but a New Decade. As we look back, it is very evident that God has chosen to move in different aspects and manifestations in different decades. In the 40's and 50's we saw a major healing revival sweep across our nation and the world. In the 60's and early 70's we saw and great move of salvation and also the manifestation of the gifts of the Spirit. In the 80's we saw a great uncovering of teaching ministries and the great message of faith being released. In the 90's a fresh anointing was released on the office of Apostolic ministries. As we enter the 2000's, we saw great favor to build and grow mega churches and a shift of anointing to a younger generation of ministers.

Now as we come into the decade of the 20's I believe that we are going to see the uncovering of the former and later reign together. It's time for the healing anointing, the anointing of the salvation message, the teaching and apostolic offices to be united and the church to rise and be a place of refuge and a place of the presence of God. It's time to see the manifestation of the Holy Spirit upon the sons and daughters of God! Make yourself available and open to operate and be moved by the Spirit of God and allow God to open doors for you to minister and allow a revival to be started through you!!! It's time for you to rise and shine for the glory of the Lord is upon you!

January
