Happy Spring!

GOSPEL TABERNACLE NEWSLETTER

Spring is Coming!

By Pastor Josh Brown

Spring is Coming, but don't rush through winter. It is not a secret that I love winter time. Winter time is a time when everything looks dead, but spring is coming. I know many of you love spring and summer. Don't get me wrong. Nobody loves a nice manicured lawn more than me when everything is blooming, but we must have winter for spring to come. Winter is a time for things to die and fall away. I have a huge pin oak tree in my back yard. From April to October it is beautiful and provides incredible shade for my property. However, about mid October those little leaves begin to fall. They are a mess and a lot of work to get up. After they all fall the tree looks sad, but in just a few months new leaves will begin to grow. The dying of the older leaves makes way for the new.

We must understand that something must die for something else to live. There has to be a dying and pruning in our lives if we want something new to come. Genesis 8:22 says, "While the earth remains, seedtime and harvest, cold and heat, summer and winter, day and night, shall not cease." In order for spring to come there must be winter. As we prepare for spring to come in the earth, let me encourage you to do survey the landscape of your life and ask yourself, "What needs to die?" Nothing can live if it is not connected to the vine. Evaluate the source of the fruit. If it is not of the Holy Spirit, now is a great time to prune it away.

March
