

July 2020

Dunn THE CITY OF GOD

GOSPEL TABERNACLE NEWSLETTER

Standing Together!

By Randy Hill

2020 has been a unusual historic year! We have and are still experiencing the effects of COVID-19, we have seen civil unrest and uprisings all over our country. The political scene has become a circus and people are mentality in some sense in survival mode. There are voices screaming in every direction and many people are just angry.

It is in times like these that the church should be a light of hope to those that are searching. I have been asked, "Pastor does GT have a racial problem"? My immediate answer was "No, but our world does". The church is in the world to impact the world. I shared with someone today, that if we are not going to impact the world then there is no reason to be here. God created the church to make a difference.

The church should be on the offense in each of these cases, and I believe that we are. The news will not report this, but in many cities, chaplain agencies are seeing hundreds born again in the middle of riots and protest. The church is on the move. Overseas, reports are coming in of thousands of conversions, especially in heavy Muslim controlled nations. The church is on the move. Faith based agencies are providing health and human services, food distribution and senior assistance in areas that were never opened to them earlier, why? The church is on the move.

It is our desire at GT, to also be a church that is on the move.

That is why we reached out and joined forces with Apostle Ron Spears and his congregation to show the city of Dunn that the church is not black or white, red or brown, but we are one body, one Lord and one baptism! What we will face in the days ahead is uncertain, but with the Lord, we are confident that we are more than conquerors!
