

June 2020

Hello 
Summer!

GOSPEL TABERNACLE NEWSLETTER

Congrats Class of 2020!

By Katelyn Grant

What a year it's been so far! 2020 is a year of change, and we've seen a lot of change. But one thing that never changes is Jesus; He's the same today, tomorrow and forever!

I was thinking about this month and we see a lot of change in June. From evolving into summer, to people graduating into new seasons of life.

Change is bittersweet. Its bitter in the old things and routines we quickly get use to. Now transitioning to new routines and life gets a little more complicated trying to shift our mindsets into the now.

I believe Gods heart in times of change are for us to lean in and rest more than ever. Leaning into His heart brings rest to us, because we can hear clearly what direction He's taking us in and that gives Him the responsibility of taking care of us.

For parents its always harder around this time when their kids are getting older and moving into their new season, maybe becoming seniors, graduating high school, and moving to college. For graduates this time is a feeling of celebration and accomplishment. They've conquered k-12 and moving away to college, or graduating college and moving into their careers. So much change. But God wants to be in every part of our ever changing life, Especially in transition. Transtion is hard but good for us and it looks different for everyone.

In this time of change and moving into summer let's reflect on the goodness of God in what He has done for us in the past. Let us look forward to the greatness of what God is about to open for us and rest in the fact He has our back and the Holy Spirit has already gone ahead of us and prepared a way. God is with us in every phase and let's graduate this summer and go to levels in God and take time to rest from all we've accomplished. Lean in and find His heart for whats next for you!
