## "PRAYING FOR OUR LEADERS"

BY KATELYN GRANT

It's Election years that are always pivotal years. Who ever takes office effects how our country is operated and whether it succeeds or fails. It also affects our daily lives as citizens. This year has been a year of unveiling truths in our government. It has opened the eyes of many Americans in just how much control our government officials actually have in our day to day life. I truly believe God has used COVID-19 to reveal truth in the midst of darkness. The church is being persecuted by not allowing us to worship and gather together in certain states. Some are facing criminal charges for just assembling together. Now California says it's banned to sing in church. It's time to WAKE UP and I believe the church is getting awoken! Gods heart is for the body to come together and build up one another and worship in unity. There's nothing like getting together on Sunday morning with your church and worshipping together. We see the evidence of this in Matthew 18:20, Hebrews 10:25 and in 1 Corinthians 5:4. Jesus is king and he takes care of the righteous no matter what happens in this world. We would be naive to stay silent in our voting for who runs our country. God appointed Judges to keep order, justice and deliver his children from their enemies. In exodus 18:21 and 2 Samuel 23:3, we read God tells them to select leaders who fear the Lord as well as men of truth. When we vote we need to vote Bible. Our vote needs to reside with the platform that lifts up life, truth and keeping Israel safe.

But just casting our vote isn't enough. Our prayer life needs to also include lifting up our leaders that rule over us. Prayer changes things and crying out for our leaders souls should be apart of our daily prayers. If we don't pray for them, then who will? 1 Timothy 2:1-4 says, "Most of all, I'm writing to encourage you to pray with gratitude to God. Pray for all men with all forms of prayers and requests as you intercede with intense passion. And pray for every political leader and representative, so that we would be able to live tranquil, undisturbed lives, as we worship the awe-inspiring God with pure hearts. It is pleasing to our Savior-God to pray for them. He longs for everyone to embrace his life and return to the full knowledge of the truth." We need to pray for this election and we need to pray even more after this election. Your prayer and petition moves Gods heart! Let's pray for revival In our government, Peace in our nation and Gods will to be done. Don't fear what's to come, Gods will and power will prevail (Romans 13:1).

So GT, let's pray for our President, our nation and for truth. Tomorrow ask the Holy Spirit to lead you who to vote for. Vote Bible, and let's take this nation for God!
