IT'S TIME TO FLOURISH

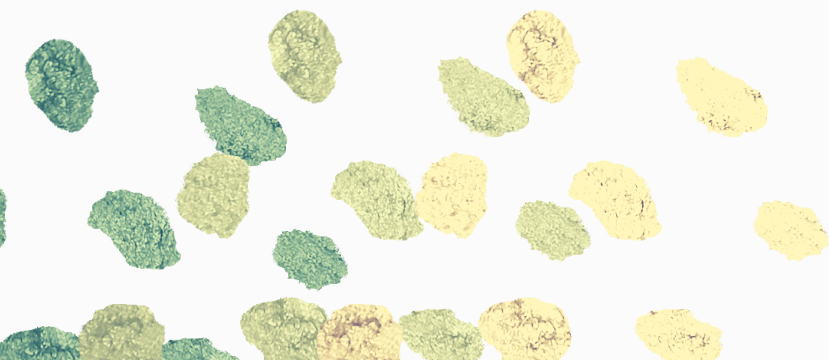

BY PASTOR RANDY HILL

I remember as a child hearing the phrase "April showers bring May Flowers!" There is a phrase in the Bible that is very similar to that, it is, It Came to Pass! The two phrases give a profound revelation that the storm that you are going through will produce and beautiful harvest in your future. Nobody celebrates rain until there is a famine, but many times rain will hinder or delay our plans and at times even cancel what were were planning to do. But the rain is not about us, it is about everything that is around us, the grass, the flowers, the trees and even the animals. In our spiritual life we can become so focused on our deliverance that we might loose the big picture of our situation even changing the things that are around us.

"I will be like dew to the people of Israel. They will blossom like flowers. They will be firmly rooted like cedars from Lebanon. They will be like growing branches. They will be beautiful like olive trees. They will be fragrant like cedars from Lebanon."

Hosea 14:5-6

We have all been through some trials that we thought would never end, but as we look back we see that they ended as quick as they began. Be encouraged today, the trial you're going through will "came to pass". The showers that you are experiencing today will produce the fruit of the Spirit in your life in the days to come. This is why as believers, we are people of praise! We praise God in the middle of our circumstances, because we know that there are flowers in our future! Stand still, raise your hands and Praise the Lord!!!! You are a beautiful flower garden of God.
