FREEDOM

GOSPEL TABERNACLE NEWSLETTER

FREE TO BE ME!

BY PASTOR DANIELLE MAYNOR

Freedom...now there is a word that the month of July always makes us remember. After all it is during this month that we as Americans celebrate our annual Independence Day, the fourth of July, complete with fireworks, family cookouts, and the waving of the red, white and blue. However, do we really know what freedom means...anymore? More than any other time in our nations' history freedom has come to mean so many different things to so many different people! Merriam-Webster states that "freedom is the quality or state of being free, such as: the absence of necessity, coercion, or constraint in choice or action, liberation from slavery or from the power of another"...in other words INDEPENDENCE. Are you free? Do you appreciate your freedom and independence as an American? Do you embrace your freedom as a Christian?

In Galatians 5:1, Paul writes, "So Christ has really set us free. Now make sure that you stay free, and don't get tied up again in slavery to the law." (NLT) According to the Bible, Christ is the one who sets us free and His desire is that we never again become slaves to the power of sin! In the gospel of John 8:36 we read "if the Son sets you free, you will be free indeed". So what does this valuable freedom that Jesus made possible for us really mean?

Today, I want to encourage us to begin to see ourselves the way God does...completely free from anything that would "entangle" or hinder us from becoming the WHO that He has set us FREE TO BE!!! In Ephesians 3:12 the Word of God says, "In Him and through faith in Him we may approach God with freedom and confidence". You see our greatest freedom comes not only in the miraculous forgiveness of sin BUT in the opportunity and promise to truly know our Savior. Not to just have a "head" knowledge but instead to truly have a "heart" relationship with the one who set us free...Jesus Himself! I propose that real independence includes a full dependence upon the one and only source of freedom that is the same yesterday, today and forever. In a world that is constantly changing and where the freedoms that we have always known are being challenged...it is a comfort to know that "the Comforter" (Holy Spirit) has come...and "where the Spirit of the Lord is, there is freedom." (2 Corinthians 3:17 NIV)
